

**Our Mission: Saint Joseph Parenting Center (SJPC)** is a nonsectarian, nonprofit organization that strengthens families at risk of child abuse and neglect through parent education and community support programs. The CDC estimates 1 in 7 children suffers abuse each year. Our approach is to educate the parent in order to protect the child.

## Our Programs

- **General Parenting Program (GPP):** a curated 28-class curriculum focused on the essential parenting knowledge and life skills needed to parent positively.
- **Dads are the Difference (DAD) Program:** 30-class curriculum designed exclusively for dads; emphasizes the unique and complex role of a father. Includes additional Intimate Partner Violence (IPV) and Job Readiness programs.

- **Case Management:** Ongoing parent support and encouragement including connections to community resources and advocacy services.

## Financials

**\$.77 of every dollar goes to programs and services**

## By the Numbers

- **2,150:** # parents to date SJPC has helped
- **6,450:** # parents, partners and children impacted by SJPC programs
- **85:** % of parents served fall below the poverty line
- **68:** % increase in awareness of protective factors that measure better outcomes for children
- **41/59:** % men/women SJPC serves

## Serving, Growing, Making a Difference

- SJPC served 20% more parents in FY22 (450) than in FY21 (359), continuing a double digit year over year build since opening our doors.
- SJPC is outpacing projections in parents served at the Danbury Center by 31% since its March '22 opening (parents served to date: 98).
- With its enhanced DAD program, SJPC served approximately 100 dads in 2021 and 2022.
